About Us

This is a non-commercial, not-for-profit web page serving as an umbrella for comprehensive knowledge, information and a resource center for everyone in Berlin (and beyond) interested, curious, inspired and having a passion to dance, or learn to dance as an expressive art form or as a physical and mental, emotional outlet, whether alone or in groups, online or in person.

Any movement form and style known as dance or its derivative are embraced enthusiastically. Emphasis is given to community support and available free or volunteer options, while also including a sample pool of commercial dance schools and opportunities to study under professional instruction.

Any visitor to the page is encouraged to contribute further information, guidance, ideas, relevant media and creative solutions as part of the project. Any donations for the upkeep and hosting of the page are welcome though not a requirement to take advantage of all the site has to offer.

Please bear in mind that the page is created and administered by one person as a gift to all who could and would benefit from it, so I ask for understanding, patience and respectful communication and attitude.

Thank you, and never ever miss a chance to dance your heart away!

Nobody cares if you can't dance well. Just get up and dance. Great dancers are great because of their passion.
